Document 6

Australian Government
Attorney-General's Department

Executive Board

As at 3 October 2013

Agenda Item	Topic
	FOI matters currently on hand

Executive sponsor

Louise Glanville, Acting Deputy Secretary, Strategic Policy and Coordination Group

Purpose of discussion/key issues

To brief the Board on the number and type of current FOI matters.

S22(1)

Future disclosure log entries will include a statement describing documents released in response to an FOI request but not routinely including a link to the documents. All the documents described will be available on request in accordance with the requirements of s11C(3). This approach, taken by some other agencies such as the Australian Taxation Office, ComCare, Dept. of Environment and (former) DEEWR, will reduce resources spent on preparing documents for publication as well as reducing the number of limited accessibility publications on the AGD website. Documents can be provided through a download link on a case by case basis; for example where there are repeated requests for particular documents.
