### Decision on access to documents

I am authorised to make decisions under section 23(1) of the FOI Act. My decision on your request and the reasons for my decision are set out below.

I have decided to refuse your request for access under section 24A of the FOI Act. The reasons for my decision are set out below.

In reaching my decision, I took the following into account:

- your correspondence outlining the scope of your request
- the FOI Act
- the FOI Guidelines published under section 93A of the FOI Act
- consultation with relevant officers of the NDIA
- the NDIA's operating environment and functions.

### **Reasons for decision**

#### Refuse a request for access (section 24A)

Section 24A of the FOI Act provides that an agency may refuse a request for access to a document if all reasonable steps have been taken to find the document and the agency is satisfied that the document cannot be found or does not exist.

I have conducted searches of the NDIA's documents management systems and made enquiries with NDIA staff. These enquiries have revealed that the NDIA is not in possession of documents matching the scope of your request. This is because the tender ID SON3389671 does not exist on Austender. In addition, both the NDIA and Services Australia possess no record of this contract on our systems.

I am satisfied that all reasonable steps have been taken to locate the documents you have requested and that the documents do not exist. I have, therefore, decided to refuse access to your request in accordance with section 24A(1)(b)(ii) of the FOI Act.

### **Rights of review**

Your rights to seek a review of my decision, or lodge a complaint, are set out at **Attachment A**.

Should you have any enquiries concerning this matter, please do not hesitate to contact me by email at [foi@ndis.gov.au](mailto:foi@ndis.gov.au).

Yours sincerely
