Contract Notice View - CN332154-A4

AusTender holds Contract and Standing Offer Notices for the 07/08 financial year forward. For information related to previous years, please refer to <http://data.gov.au/>.

On the 15 April 2014 AusTender Contract Notice functionality changed to improve transparency. Two new fields have been introduced to capture the 'Amendment Value' and the 'Amendment Start Date'. Where applicable, these fields will display on amendment records published after this date.

Subcontractors: For Commonwealth contracts that started on or after 1 December 2008, agencies are required to provide the names of any associated subcontractors on request. Information on subcontractors can be sought directly from the relevant agency through the Agency Contact listed in each Contract Notice.
