Dear Siobhan,

Extension of Time for Third Party Consultation - Freedom of Information Request no. 2023/0104

I refer to your request for access to statistics relating to decisions made by Senior Member Kira Raif and other members under the *Freedom of Information Act 1982 (FOI Act)*.

As your request covers documents which contain another individual's personal information, the AAT is required to consult with that individual under section 27A of the FOI Act before making a decision whether to release the documents. We will take into account any comments the individual makes, but the final decision about whether to grant you access to the documents rests with us.

The period for processing your request has been extended by 30 days under section 15(6) of the FOI Act in order to allow time for us to consult with the individual. The statutory period for making a decision on your request now ends on 3 July 2023.

If you have any questions, please contact me on at foi@aat.gov.au.

Yours sincerely,

Marta M

Authorised FOI Officer (APS 6)
