Dear FOI Requests,

Thank you for that reply.

Given the surprisingly large amount of documents encompassed and your suggestion, I agree to rephrase and narrow my request to the following:

"Physical relocation expenses incurred from 1 May 2022 to 1  
May 2023 as a result of Senator Babet's electorate office move"

Thank you for being diligent here.

Yours sincerely,

Alex Pentland

Dear Mr Pentland

Thank you for your email (attached) and response to the letter. Please see our reply below and a suggestion for reducing the scope of documents identified.

The large number of documents identified as in scope of your request are primarily in response to the first part of your question. Each of these documents will require a significant amount of time consulting with multiple third parties and redacting exempt information.

As such we suggest the following amended scope:

Physical relocation expenses incurred from 1 May 2022 to 1 May 2023 as a result of Senator Babet's electorate office move.

We kindly request that you please reply by email if you agree to the amended scope by COB Friday 10 August 2023.

Please contact the FOI team if you have any questions.
