Hi 47F [Redacted]

Thanks for the clarification

I believe this doesn't change the scope of the work and time taken from our perspective.

The work is in finding every media request and response in relation to APS bargaining that has occurred over last year.

I don't believe we would have ever provided information to IPA directly however I would need the team to confirm this. They may have sent a media enquiry.

Cheers

Hi FOI team

This is an extensive request.

We have competing priorities. Is there any flexibility with the timeframe?

Cheers
