IN-CONFIDENCE

S47F(1)

As discussed, I have made a couple of suggested changes.

On the media inquiry, a response might be that it is not relevant to consult with the ALRC if Australia does not propose to restrict existing flexibilities.

Dear S47F(1)

As promised, please find attached draft media points regarding the S33(a)(iii), S33(b). I would be very grateful for your input **by 2.30pm**. Apologies for the tight deadline – the Trade Minister's Office has requested the points asap.

We've been sent a separate inquiry from your media area, from ITnews. Have you had a chance to look at this? We are happy to work together to coordinate a response, based on the attached. Please let me know when you are ready to discuss.

Kind regards
