Hi S47F(1)

Many thanks for your e-mail and suggested changes, they look really good. Thanks also for running the ISDS section by S47F(1). (Hi S47F(1), and thanks for your call! I will get back to you soon on the IP agenda for Auckland).

I've revised the draft adopting most of your suggestions, other than in Q5 and the first line of the fourth para of Q8 – see what you think. I've also made a few tweaks based on other comments received.

I've been asked at this end to keep marked up changes to a minimum so I'll see how I go getting this version through! S47C(1)

Sorry again for the rushed timeframe, but I'd be grateful for your thoughts as soon as possible tomorrow morning.

Many thanks
S47F(1)

Hi S47F(1)

Thank you for providing us with an opportunity to comment on your draft FAQs. We have made some changes in the attached for your consideration, which I am happy to discuss if you need. I also sent it to OIL and S47F(1) has confirmed that they have no comments in relation to the ISDS information.

Thanks,

S47F(1)

Dear Colleagues

I hope this finds you well.

As mentioned a little while ago, we've been preparing a set of TPP FAQs for the DFAT website and attached for your review is the final draft, with questions on IP and public health on pp 3, 4 & 5. We are aiming to provide this to the TMO for clearance tomorrow, and so would be very grateful for any comments you have by **COB today**. Apologies for the tight turnaround – please let me know if this will cause a problem.

Many thanks in advance for your help.

Kind regards
