Notes:

1. Source: Department of Home Affairs
2. Includes primary and secondary applicants
3. Departmental systems can only provide the data you requested to the end of reporting cycle months
4. Applications lodged and recorded in the system as on hand at a specific processing location may be processed at any location under global caseload management. Where cases have been transferred between processing offices, there may be delays in the new processing location being reflected in departmental reporting systems

Caveats:

- *This information is provided for the specific purpose of this request.*
- *Where applicable, as per current privacy guidelines, the Department of Home Affairs' policy is to mask numbers which are less than five as <5. Other numbers may be masked where required to ensure values under 5 cannot be determined from totals.*
- *Current program year figures are subject to variation. The data is sourced from our global Departmental systems. There can be delays in transmission of information, therefore data for current program year should always be considered provisional.*
