Dear Mr Tregoning

**FREEDOM OF INFORMATION REQUEST:  
NOTICE OF LIABILITY TO PAY A CHARGE AND  
NOTICE OF EXTENSION OF TIME DUE TO THIRD PARTY CONSULTATION**

I refer to your request of 18 May 2015 to the Department of Health (Department), for access under the *Freedom of Information Act 1982* (FOI Act) documents in relation to *any formal evaluations of the National Cannabis Prevention and Information Centre*.

I have decided, in accordance with section 29 of the FOI Act, that you are liable to pay a charge in respect of your request.

Under paragraph 29(1)(f) of the FOI Act you are required to notify the Department in writing within 30 days after this notice was given to you one of the following:

- that you agree to pay the charge;
- that you wish to make a contention that the charge has been wrongly assessed or should be reduced or not imposed; or
- that you withdraw your request.

**Preliminary Assessment**

In accordance with paragraph 29(1)(b) of the FOI Act my preliminary assessment of the charge is \$436.32 This has been calculated as follows:

search and retrieval time (including time spent locating relevant files and collating relevant documents contained on those files)	0.33 hours @ \$15.00 per hour	\$32.00
Decision making time (including time spent examining the documents, considering exemptions, undertaking consultation, writing the decision and preparing any documents for release)	25.22 hours @ \$20.00 per hour	\$504.32

---

Less first 5 hours of decision making time	5 hours @\$20.00 per hour	-\$100
<b>TOTAL</b>		<b>\$436.32</b>

---

### **Deposit**

As the preliminary assessment is greater than \$100.00 a deposit of 25% is required, this being \$109.08.

Payment of a deposit will be taken as your authority for us to proceed with the processing of your request and your agreement to pay the full charge in which case you will become liable to the Commonwealth for the full cost of the processing charge. Your deposit payment (cheque or credit card) should be sent to either of the following:

FOI@health.gov.au; or

FOI Coordinator (MDP 350)  
Department of Health  
GPO Box 9848  
CANBERRA ACT 2601

### **Contention that the charge has been wrongly assessed, should be reduced or not imposed**

Under the FOI Act you have the right to contend that the charge has been wrongly assessed, should be reduced or not imposed. If you choose to make such a contention the matters that I am required by subsection 29(5) of the FOI Act to take into account include:

- (a) whether the payment of the charge, or part of it, would cause financial hardship to you or the person on whose behalf the application was made; and
- (b) whether the giving of access to the document[s] in question is in the general public interest or in the interest of a substantial section of the public.

### **Notice of Third Party Consultation and timeframe for providing you with a decision**

The date for providing you with a decision will be later than that previously advised because:

- it appears to me, from the documents to which you seek access, that a third party may reasonably wish to make a contention concerning possible exemption of some of the documents . I have, accordingly, determined that the requirements of section 27 make it appropriate to extend the time frame for dealing with your request.
- for the purpose of subsection 15(6) of the FOI Act, the 30 day period for providing you with a decision has been extended by a further 30 days; and
- processing your request is suspended from the date you receive this notice. Counting of the 60 calendar days will resume when either you pay a deposit or any contention about the charge has been resolved.
