# Drug Fail Proportions

## Chart Data

Note that the column "Series 3" filters to exclude Victoria (2) and WA (4). The proportions are calculated only for Drivers or Motorcyclists.

*The test results for the presence of illegal drugs are for vehicle controllers only (drivers and motorcyclists). This chart does not include data for Victoria and Western Australia. The ACT began reporting drug presence from 2012 & Queensland in 2017*
