Our uniform branding guidelines provide advice on how the ARPANSA logo and brand mark should appear on clothing, brand-appropriate colours and uniform disposal.

Make sure you refer to the [ARPANSA uniform branding guidelines](#) when purchasing uniforms with ARPANSA branding to ensure that the branding is appropriate and remains consistent across the agency.

ARPANSA-branded name badges

ARPANSA-branded name badges are also available. To order, email the Communications team with the colour (white or green-to-purple fade) and name for your badge. Once the Communications team provides you with the artwork, you'll need to send this to the Store indicating your preferred name badge backing (pin or magnet) for ordering.
