- The Exhibition Hall will be transformed into an 'Australian bush' theme with rustic wine barrels, outback Australian pub (bar) and Australian natives.

Australia Day

- Recommended approach is to focus on celebrating Australian excellence in the UK by hosting an event in late January or early February to draw-in and engage with key stakeholders early in the new year. Soft power assets to highlight could include a range of successful and talented Australians in London in the performing arts and hospitality sectors (s 22(1)(a)) to work on concept note for HOM)
