Hi,

s. 47F(1)

I request under the FOI Act a list of any internal document that includes the term "ShadowDragon" for the period 1 January 2023 to 26 October 2023.

Here are the parameters of my request:

- I would like to have digital copies of these documents sent to me at this email address: s. 47F(1)
- Please exclude duplicates and documents already publicly released, including media releases, reports, articles and/or statements to the media.
- If emails are captured, please limit to the final thread of the conversation.
- If there are multiple briefing notes on the same topic, please limit to the most recent.
- I agree to having the names and direct contact details of non-senior staff removed.
- If the information I'm seeking exists in one document, please limit my request to just that.
- s. 47F(1) given the public interest in this area, I believe a charge should not be imposed.
- If a large number of documents are captured within the scope of this request, I am willing to discuss narrowing the scope of this request.

Please give me a phone call if you'd like to discuss this request and ways to make this process easier for you.

Regards,

I approve the scope to be marked as sensitive. However because the applicant is asking for any documents with the name 'ShadowDragon', I don't think we limit our searches to just the one BA. I think we should send this request to the business area who can conduct generic searches of the name 'ShadowDragon' to see how many hits they get. Would this be Records management?

Dear s. 47F(1)

Acknowledgement of Freedom of Information Access request

This letter acknowledges that on 26 October 2023 the Department of Home Affairs (the Department) received your request to access documents held by the Department under the *Freedom of Information Act 1982* (the FOI Act). This letter also provides important information about your request.

Scope of request

You have requested access to the following:

I request under the FOI Act a list of any internal document that includes the term "ShadowDragon" for the period 1 January 2023 to 26 October 2023.

Your request has been allocated FOI request number FA 23/10/01506. Please include your FOI request number in all correspondence with the Freedom of Information Section.

Timeframe

The timeframe for processing a request is 30 days from the day we receive your request, as set out in the FOI Act.

Your review rights in relation to your request are available on [the website of the Office of the Australian Information Commissioner](#).

Fees and Charges

Charges do not apply to requests from individuals seeking access to documents about themselves. However, a charge may apply to all other requests for access to documents.

Charges are based on the amount of time the Department spends on your request. Charges can range from \$10 to over \$1,000 depending on the complexity and scope of your request. The Office of the Australian Information Commissioner reported that across the public service, the average charge notified was \$335.50 in 2020-21.

If a charge applies, you will be issued with a Notice of Charge that explains the charge and your options.

Detailed information about FOI charges that may apply to your FOI request is available on [the Department's website](#).

We do not provide personal details of staff

The Department's practice is to exclude the personal details of staff not in the Senior Executive Service (SES), as well as the direct contact details of SES staff, contained in documents that fall within scope of an FOI request. If you require personal details of non-SES officers, or direct contact details of SES staff, please inform us so the decision maker may consider your request. Otherwise

we will take it that you agree to that information being excluded from the scope of your request. However names of staff that have previously been released in departmental correspondence may be disclosed.

We do not provide duplicated documents

If the FOI decision-maker deems a document to be a duplicate, they will not assess those pages as part of your FOI request. This means that if there is a decision to release the document to you, you will receive only one copy, even if multiple copies of that document exist.

Publication of document

Released documents you request may be published to our website

Where documents are released to you in response to your request, the Department may be required to publish these documents on its website within 10 working days in accordance with section 11C of the FOI Act. Publication will not be required where the documents contain personal or business affairs information.

How to reduce or withdraw your request

Reducing the scope of your request can reduce the time and charges associated with processing your FOI request.

To reduce or withdraw your request, contact the FOI section at xxx@xxxxxxxxxxx.xxx.xx and include your FOI request number.

Contacting the FOI Section

Should you wish to discuss your request you may contact the FOI Section at xxx@xxxxxxxxxxx.xxx.xx.

Hi s. 22(1)(a)(ii)

Information Handling Management have replied (below) that they do not have documents related to the scope.

However, they have provided a list of documents located in TRIM (attached). Could FOI work off that TRIM list and prepare a response for the request? If so, can I move this request to Allocation?

I'm not really sure how else to proceed. I don't think any individual business area would have a complete list of the internal documents.

Good afternoon FOI Colleagues

The Attorney-General's Department (the department) FOI team was cc'd in on this correspondence from s. 47F(1) back to Home Affairs FOI. As this does not appear to relate to an existing FOI request with the department, we will not be taking any further action unless otherwise asked.

Please do not hesitate to let us know if we can assist with this matter.

Hi FOI Team,

We have reviewed this and are unsure how we were identified in this request.

The team has completed a quick search through TRIM, Emails and other resources and cannot locate anything with the term "ShadowDragon" for the period *for the period 1 January 2023 to 26 October 2023* or any other information relating to our section for this request.

I will also note this team is no longer part of Home Affairs and recently moved to the Attorney-General's Department due to Machinery of Government changes.

Hi team

I did a TRIM search for any files related to my Section that have the title **ShadowDragon created** during the relevant period (1 January 2023 to 26 October 2023). See attached. I could not find any documents related to my Section.

I did find some payments made to a vendor with this name in 2018 and 2017 which are obviously outside the scope of this request.

Hi FOI

Please see attached results for FOI FA 23/10/01506

I request under the FOI Act a list of any internal document that includes the term "ShadowDragon" for the period 1 January 2023 to 26 October 2023.

Searches in PDMS found nil records for the term 'ShadowDragon'.

One record was found for the term 'Shadow Dragon', EC23-005004 - Secretary Tasking - Letter - To Secretary From s. 47F(1) 9 August 2023. Responsible Area = Office of the Secretary.

The record appears to be an invitation to an event where the organisation 'Shadow Dragon' is in attendance. The Secretary declined to attend the event.

A copy of the PDMS record is attached.

Hi s. 22(1)(a)(ii)

Thanks for the chat, including clarification that the applicant is seeking a list of the in scope documents i.e. a list of doc titles would be released, rather than documents themselves as part of this specific request.

Steph K – based on review of the attached document within scope, I see no issues with the release of the title with no redactions or exemptions (and same, if a later request comes through, for proposed release of the letter in consultation with Ms s. 47F(1) if needed). **For your consideration and decision advice to FOI.**
