FOI Request: FA 24/02/01051

File Number: FA24/02/01051

Dear Mr Smith

**Freedom of Information (FOI) request – Access Decision**

On 16 February 2024, the Department of Home Affairs (the Department) received a request for access to document under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request.

**1 Scope of request**

You have requested access to the following document:

*A copy of the email from the acting First Assistant Secretary Immigration Policy, Integrity and Assurance to Minister O’Neil and Minister Giles’ offices sent on 13 September 2023 described as "Update on litigation and resettlement efforts, attaches Counsel legal advice dated 6 September on resettlement." in the document tabled at the Legal and Constitutional Affairs Legislation Committee Senate Estimates on 12 February 2024.*

**2 Authority to make decision**

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access document or to amend or annotate records.

**3 Relevant material**

In reaching my decision I referred to the following:

- the terms of your request
- the document relevant to the request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from Departmental officers with responsibility for matters relating to the document to which you sought access.

## **4 Document in scope of request**

The Department has identified one document as falling within the scope of your request. This document was in the possession of the Department on 16 February 2024 when your request was received.

**Attachment A** is a schedule which describes the relevant document and sets out my decision in relation to each of them.

## **5 Decision**

The decision in relation to the document in the possession of the Department which falls within the scope of your request is as follows:

- Exempt the document in full from disclosure.

## **6 Reasons for Decision**

Detailed reasons for my decision are set out below.

### **6.1 Section 42 of the FOI Act – Legal Professional Privilege**

Section 42 of the FOI Act provides that a document is an exempt document if it is of such a nature that it would be privileged from production in legal proceedings on the ground of legal professional privilege.

I am satisfied that the document comprises confidential communications passing between the Department and its legal advisers, for the dominant purpose of giving or receiving legal advice. The documents either contain privileged legal advice or confidential communications created for the dominant purpose of seeking or giving instructions in legal proceedings.

In determining that the communication is privileged, I have taken into the consideration the following:

- there is a legal adviser-client relationship;
- the communication was for the purpose of giving and/or receiving legal advice;
- the advice given was independent; and
- the advice was given on a legal-in-confidence basis and was therefore confidential.

The content of this document is not part of the rules, guidelines, practices or precedents relating to the decisions and recommendations of the Department. The document does not fall within the definition of operational information and remain subject to legal professional privilege.

I have therefore decided that the document is exempt from disclosure under section 42 of the FOI Act.
