Dear Mr Smith

Freedom of Information (FOI) request – Access Decision

On 19 February 2024, the Department of Home Affairs (the Department) received a request for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

1 Scope of request

You have requested access to the following documents:

Under the FOI Act, can I please obtain a copy of all meeting notes or documents produced for, and as a result of, the meeting with Minister Giles' Office, General Counsel and Assistant Secretary, Compliance and Community Protection Policy Branch on 12 October 2023 described as "Discussion included a litigation update and policy options." in the document tabled at the Legal and Constitutional Affairs Legislation Committee Senate Estimates on 12 February 2024.

2 Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.

3 Relevant material

In reaching my decision I referred to the following:

- the terms of your request
- the documents relevant to the request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)

- advice from Departmental officers with responsibility for matters relating to the documents to which you sought access

4 Documents in scope of request

The Department has identified one (1) document as falling within the scope of your request. This document was in the possession of the Department on 19 February 2024 when your request was received.

Attachment A is a schedule which describes the relevant document and sets out my decision in relation to it.

5 Decision

The decision in relation to the documents in the possession of the Department which fall within the scope of your request is as follows:

- To exempt one (1) document in full from disclosure

6 Reasons for Decision

Detailed reasons for my decision are set out below.

Where the schedule of documents indicates an exemption claim has been applied to a document or part of any document, my findings of fact and reasons for deciding that the exemption provision applies to that information are set out below.

6.1 Section 22 of the FOI Act – irrelevant to request

Section 22 of the FOI Act provides that if giving access to a document would disclose information that would reasonably be regarded as irrelevant to the request, it is possible for the Department to prepare an edited copy of the document, modified by deletions, ensuring that the edited copy would not disclose any information that would reasonably be regarded as irrelevant to the request.

I have decided that parts of document marked 's22(1)(a)(ii)' would disclose information that could reasonably be regarded as irrelevant to your request. I have prepared an edited copy of the document, with the irrelevant material deleted pursuant to section 22(1)(a)(ii) of the FOI Act.

6.2 Section 42 of the FOI Act – Legal Professional Privilege

Section 42 of the FOI Act provides that a document is an exempt document if it is of such a nature that it would be privileged from production in legal proceedings on the ground of legal professional privilege.

I am satisfied that parts of the document marked 's42(1)' comprise of confidential communications passing between the Department and its legal advisers, for the dominant purpose of giving or receiving legal advice.

In determining that the communication is privileged, I have taken into the consideration the following:

- there is a legal adviser-client relationship
- the communication was for the purpose of giving and/or receiving legal advice;
- the advice given was independent and
- the advice was given on a legal-in-confidence basis and was therefore confidential.

The content of this document is not part of the rules, guidelines, practices or precedents relating to the decisions and recommendations of the Department. The document does not fall within the definition of operational information and remain subject to legal professional privilege.

I have therefore decided that these parts of the document are exempt in full from disclosure under section 42 of the FOI Act.
