Hi [REDACTED],

Now that we have the OK from [REDACTED] and have received feedback on the Forum program from all but two of the Chairs Advisory Group, I had a chat with [REDACTED] last night and we propose to proceed with sending out the email invitations to the state and territory representatives today.

Just as a reminder, the email text has already been cleared by Andrew and invitations to attend the Forum as observers will go to the following individuals:

- Ms Amanda Chadwick, NSW Department of Industry, Skills and Regional Development
- Ms Skana Gallery, Local Government Association of South Australia
- Mr Matthew McGee, Tasmanian Department of State Growth
- Mr Trent Mader, Department of Primary Industries and Regions South Australia
- Ms Bridgette Bellenger, Northern Australia Development Office, Department of the Chief Minister Northern Territory.

I understand that approaches will be made to Mr Rob Kerin, RDA South Australia and to a representative of the Victorian Government as speakers at the Forum and so they are not included in the emails to go out today.

The emails will be sent from the RDA Forum Inbox under your signature block with RSVPs to [REDACTED] by 5 August, which is the same RSVP date for other Forum delegates.

Regards
