Dear Applicant

**FOI REQUEST - REFERENCE NUMBER 2015-036**

I refer to my letter of 31 August 2015 in which I sought to clarify your recent request for access to documents under the *Freedom of Information Act 1982* (the FOI Act). You had requested access to the following documents:

*"...all documents and correspondence relating to the ABC's decision to move the program Q&A from the entertainment division to the news division."*

I have not heard from you in relation to that request for clarification.

If you would like to proceed further, please provide the further information requested so that I am able to effectively and efficiently identify and locate all relevant documents.

Please note that if I do not hear from you by **2 October**, I will assume you no longer wish to pursue this FOI request, and I will take no further steps to process your application.

If you need assistance to prepare a valid request, please do not hesitate to contact me.

Yours sincerely
