Dear Ben

Freedom of Information Request 53354 – Decision on access

I refer to the *Freedom of Information Act 1982 (FOI Act)* request made to the Department of Social Services (**the Department**) on 28 March 2025. The request seeks access to:

The Foundational Supports report from the consultations held by the Social Deck in 2024. My request is for both the summary and the full version.

I am authorised to make decisions in respect of FOI requests under subsection 23(1) of the FOI Act.

Decision – No documents exist

Section 24A of the FOI Act provides in part that an agency may refuse a request for access to a document if all responsible steps have been taken to find it and the agency is satisfied that it does not exist.

The FOI request seeks the summary and full version of the Foundational Supports Report (the report). The Department has not yet finalised the report and therefore, the full version does not currently exist. The summary reports are intended to be excerpts of the full report, and so without the report in existence, the summary reports also do not currently exist. The Department's intention is to release final and summary reports in full on the Department's Engage website at <https://engage.dss.gov.au>. Noting that the decision to release the summary and full version of the report will be a decision of the incoming government.

As a result, we do not have possession of the documents sought by this request and have decided to refuse it under section 24A of the FOI Act.
