27 January 2016

Dear Sir,

Reference is made to your notification of proposed pyrotechnical displays as part of 2016 Lunar New Year celebrations.

This is to advise that Council has reviewed the information submitted and raises no objections to the proposed activities as attached to this letter, provided that the following matters are understood and adhered to :

1. Three (3) adult personnel are to be available at all times during the display to maintain crowd control and provide safety distances. The crowd is to be kept away at a minimum distance of ten (10) metres using a protective barrier such as rope or other approved materials endorsed by Work Cover (if using string fireworks, the length is not to exceed two (2) metres) ;
2. Light only one (1) firework at a time;
3. Remove all fireworks that fail to explode immediately and arrange safe disposal :
 - ensure that two (2) large buckets of water are available to dispose of any non-exploded fireworks/crackers immediately after each performance and
 - nominate two (2) adults to collect and destroy any unexploded/unfired fireworks;
4. Nearby parked vehicles shall be protected in a suitable manner (non-flammable material) so as to prevent damage to paintwork by firecrackers (DO NOT use cardboard or thin plastic sheeting);

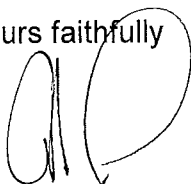

5. Activities shall not interfere with pedestrian and vehicular traffic;
6. The display is to be located wholly within the area identified and no waste papers or the like are to litter Council's streets or footpaths;
7. Any waste and/or litter shall be removed and the area is to be left in a clean and tidy state on completion of activities;
8. Ensure that a first aid kit is available and
9. **For firework displays to be held of an evening (in particular at or around midnight) - the applicant, by way of letter box drop, must advise surrounding residential properties within a 500m radius of the subject site, that a fireworks display will occur within three (3) days of this event.**

Please note that :

- i. Permission is automatically cancelled in the event of a total prohibition on the lighting of fires in the open being proclaimed.
- ii. With regards to the use of pyrotechnical devices - matters such as permits, licensing and / or safety requirements, are subject to strict compliance with the requirements of the following Authorities :
 - WorkCover Authority
 - New South Wales Police Department and
 - New South Wales Fire Brigade

For any further information regarding this matter, please do not hesitate to contact me on 9725-0801.

Yours faithfully

JOSEPHINE AMALFI
