ADRVP DECISION

Possible non-presence anti-doping rule violation - Finding in the matter of HEATH HOCKING - AFL (Case 2014/171)

After reviewing the relevant evidence and information relating to matter 2014/171, please indicate whether you are satisfied that the:

- participant was provided with a notification in accordance with clause 4.07A of the NAD scheme;
- response period has ended; and
- participant did not provide a submission.

(YES) / NO (*please circle*)

Having reviewed the relevant evidence and information do you make a decision that there is a possible non-presence anti-doping rule violation committed by Mr Hocking of Use of a Prohibited Substance, namely Thymosin Beta 4?

(YES) / NO (*please circle*)

Do you wish to make a decision that the possible violation referred to above should be entered onto the Register of Findings (including those details as prescribed by clause 4.10 of the NAD scheme)?

(YES) / NO (*please circle*)
