FOI Ref: 201617/10

Dear Mr Smith

FREEDOM OF INFORMATION REQUEST: ESTIMATE OF CHARGES

I refer to your email of 8 August 2016 in which you requested the following documents under the *Freedom of Information Act 1982* (FOI Act):

'Request the research which supports the following statement made by the Australian Statistician:
"we know that if people supply their name they're more likely to provide accurate information in the other parts of the census."

A copy of your request is provided at **Attachment A**.

The *Freedom of Information (Fees and Charges) Amendment Regulations 2010* (the Regulations) prescribes that charges can be levied in respect of a request for access to documents. These charges are set out by the Regulations and are for search and retrieval of documents, decision making and provision.

I am an authorised decision maker under section 23 of the FOI Act and I have decided that you are liable to pay a charge in respect of the processing of your request.

My preliminary assessment of the charge is \$295.00 (please see the table for details of the charges).

Search and retrieval – \$15 per hour <ul style="list-style-type: none">search of the ABS's electronic records systems and of files held by individuals in areas for which the subject matter contained in the request is potentially of relevance. Estimated number of hours required: 5 hours	\$75.00
Decision-making (after deducting the first five hours which are free of charge) – \$20 per hour <ul style="list-style-type: none">time spent by an agency preparing either a schedule of documents or a recommendation for the authorised decision makerexamination of relevant pages for decision making (includes exempted pages and pages released with redactions)consultation with other partiesredacting exempt material Estimated number of hours required: 11 hours (after the first five hours)	\$220.00
TOTAL COST	\$295.00

The charges set out in the above table are determined by the Regulations and reflect the work involved in processing this request.

The charges are not indicative of the level of access that may be granted to the documents sought. In addition, a decision regarding what, if any, documents to release will be informed by consultation with third parties.

The ABS treats documents that are publicly available (for example, documents published on a publicly accessible website) as irrelevant to a FOI request. This means that you will not be provided with publicly available documents under FOI.

The Regulations prescribe that where a charge is imposed and the charge exceeds \$100.00, a deposit of up to 25 per cent of the estimated charges may be sought. Based on the preliminary estimate of charges for your request, which is \$295.00, you will be required to pay a deposit of \$73.75 before work on your request commences.

Within 30 days of receipt of this notice you are required to either:

- pay the charge; or
- pay a deposit with the remainder to be paid prior to receipt of documentation; or
- contend that the charge
 - has been wrongly assessed, or
 - should be reduced, or
 - not imposed, or both; or

} You should give
full reasons for so
contending
- revise your request to narrow the scope; or
- withdraw your request.

Options for payment are provided at **Attachment B**.

You may contend that the charge has been wrongly assessed, or should be reduced or not imposed (see **Attachment C**). In deciding whether to reduce or not to impose a charge, the decision maker has discretion to consider reduction or remission of charges for any reason, including the following reasons:

- the payment of the fee or a part of the fee would cause financial hardship to the applicant or person on whose behalf the application was made; or
- the giving of access is in the general public interest or in the interest of a substantial section of the public.

If you wish to contest the charges, you should give full reasons for doing so.

If you fail to notify the ABS in a manner described above within 30 days of receipt of this notice, it will be taken that you have withdrawn your request.

The ABS generally considers the names (other than those of Senior Executive Officers), email addresses and other contact details of public service officers to be irrelevant to an FOI request. These details will not be released pursuant to section 22 of the FOI Act. Where relevant, the ABS will provide the designations (for example, Director) of authors and addressees of documents in the schedule of documents accompanying the decision letter so that their relative seniority is known. You will not be charged for the time taken to redact names from documents as a result of this practice.

In accordance with section 31 of the FOI Act, the 30 day limit for processing your request is suspended from the day that you receive this notice. It resumes on either the day you pay the charge (in full or the required deposit) or the day on which this agency makes a decision not to impose a charge.

Consistent with the FOI Act, the ABS publishes all documents disclosed in response to FOI requests (other than personal or business information that it would be unreasonable to publish) on the ABS website at the same time as the applicant receives the response.

If you have any queries on this matter please contact the ABS FOI Contact Officer at freedomofinformation@abs.gov.au or on (02) 6252 7203.

Yours sincerely
