

Legislative and major barriers to sharing and publishing data workshop – Agenda

Friday 11 December 2015 – 9:00am to 12:30pm

Department of Industry, Innovation and Science
Industry House - Level 10, Amenities Room 10.170
10 Binara Street, Canberra City

Time	Activity	Presenter
08:30 – 09:00	Arrival (workshop will commence at 9am sharp)	
09:00 – 09:10	Introductions, structure for the day and context.	PM&C
09:10 – 09:20	Short review of the current state of legislation including some recent changes to privacy provisions	PM&C
09:20 – 10:30	Short 5 minute presentations (<u>maximum</u> due to time constraints) from some agencies on the key barriers they face with examples (this is optional). Issues will be captured on Post-it notes throughout this session for discussion in groups after morning tea.	All attendees
10:30 – 10:45	Morning tea provided	
10:45 – 11:30	Break into groups to identify themes of issues and identify where an issue is a) the legislation itself, b) interpretation (or inconsistent interpretation) or c) something else and brainstorm potential solutions including where common interpretation would help, where legislative reform is required and where agencies can share existing approaches to common issues.	All attendees
11:30 – 12:30	Teams report back to group – 5 minutes each Wrap up	All attendees PM&C
