CITY OF MELBOURNE

Dear Simon,

Freedom of Information Request COR/FOI/00890

I refer to your application received 29 September 2016 (and application fee paid on 7 October 2016) in which you have requested a copy of the following document under the *Freedom of Information Act 1982* (the Act):

"I request access to the audio recording of Future Melbourne Committee 20 September 2016. The recording is an official meeting and a matter of public record. Precedent exists for all recent audio recordings of Future Melbourne Committee meetings to be made available within days of the meeting. The meeting was recorded. As an official record of an official meeting prior to a caretaker period (as all are), the audio must be made available".

The audio you have requested is now available free of charge on Council's website, and can be downloaded from:

<http://www.melbourne.vic.gov.au/about-council/committees-meetings/meeting-archive/Pages/Future-Melbourne-Committee-20-September-2016.aspx>

I trust this satisfies your enquiry and will arrange a refund of your \$27.90 application fee (and closure of your FOI file). Please provide a mailing address at your earliest convenience for us to post your cheque.

If you have any questions, please let me know by **7 November 2016**.

Yours sincerely,

Evvie Lambrianidis
Council Business Officer
