Dear Mr Fairless

Freedom of Information Request AGO-FOI 2016/28

I refer to your request under the *Freedom of Information Act 1982* (FOI Act) for access to:

“...all inbound and outbound chats in the 7 days prior to this request that was [sic] sent or received from the minister using any of the below applications:

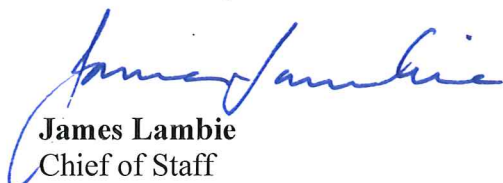

- *WhatsApp*
- *Facebook Messenger*
- *Signal*
- *Telegram*
- *Grindr*
- *Scruff*
- *Tinder*
- *Email accounts without a .gov.au address.”*

I hereby acknowledge receipt of your request.

As you would appreciate, the workload of this Office is significant as it advises and supports the Minister to discharge his functions as Attorney General, Vice President of the Executive Council and Deputy Leader of the Government in the Senate.

Regrettably, a decision in relation to your request has been delayed. I will provide a decision by 19 December 2016.

Yours sincerely

James Lambie
Chief of Staff
