

**I - Persons with No Fixed Address**

1. The application for 'Enrolment for persons with no fixed address' includes a sub category of 'homeless'. Where the elector selects 'homeless' as a reason for their itinerant status it is to be accepted.
2. An elector notation 'HO-homeless' has been created as an administrative means to ensure the elector's registration is not cancelled where information received may indicate that the elector has been residing in the division for one month or longer.
3. The decision to approve, cancel or reject an application for enrolment for a person with no fixed address is delegated to Divisional Returning Officers.
