Dear Mr Kemp

Re Freedom of Information Application

I refer to your Freedom of Information application to the Fines Recovery and Enforcement Unit, a business unit of the Attorney-General's Department requesting:

Documents held by AGD, generated by SAPOL or AGD which quantify breaches and alleged breaches - excluding personal identities - of the Major Events Act 2013 since it was enacted, and also pass comment on the effectiveness or otherwise of the Act.

The *Freedom of Information Act 1991* (the Act) requires the payment of an application fee or evidence of your eligibility for a fee waiver for the application to be considered valid under the Act.

I refer you to S13(c) of the Act which states:

13-Applications for access to agencies' documents

An application for access to an agency's document-

(c) must be accompanied by such application fee as may be prescribed

On 25 November 2016 a letter was sent to you requesting the prescribed application fee of \$33.50 or evidence for your eligibility for a fee waiver by 8 December 2016. Our records indicate that you have not paid the application fee, or provided evidence of eligibility for a fee waiver by the due date. Your application is not considered valid under s13 of the Freedom of Information Act 1991 and has been closed.

Yours sincerely

Graham Arriola
