Dear Mr Kemp

I acknowledge receipt of the transferred application made under the *Freedom of Information Act 1991* (the FOI Act) in which you requested access to the following documents:

"I am seeking documents with the identities of individuals and organisations redacted, dated 2014, 2015 and 2016, which show details of reasons why potential CFS volunteers have been rejected and other existing volunteers have been excluded from the service."

Before we can proceed with your request, the application must be accompanied by the application fee as prescribed by the FOI (Fees and Charges) Regulations – the current application fee is \$33.50 unless a fee waiver applies such as Health Care Card/Unemployment Benefits/Pension Card/Student Card (proof is required).

Please forward the application fee as requested to enable us to process your application as quickly as possible. If we do not receive the fee within 14 days from the date of this letter your application will be closed off and filed. A new application and fee may then be required.

If you have any queries regarding this matter please contact me on 8463 4338.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Cathie Seal'.
