Dear Mr Monceaux

Freedom of Information Request No. 170107
Decision on Access

I refer to your request of 8 January 2017 to the Department of the Environment and Energy (the **Department**) under the *Freedom of Information Act 1982* (the **FOI Act**). Your request seeks access to:

all formal written submissions received by the department in response to the EPBC Referral for "BHP Billiton Olympic Dam Corporation Pty Ltd/Mining/Olympic Dam/SA/Increasing a wall height of the tailings storage facility (TSF4), Olympic Dam, SA" - Ref#2015/7416.

Authority

I am authorised by the Secretary of the Department under section 23 of the FOI Act to make a decision in relation to your request.

Decision

The Department has identified 7 documents relevant to the scope of your request.

I have decided to **grant access** to Documents 1 to 5 in part, as they contain material that I consider irrelevant to the request pursuant to section 22 of the FOI Act.

A schedule describing these documents and my decision in respect of each is at **ATTACHMENT A**.

ATTACHMENT B contains information regarding your review rights, should you wish to seek review of my decision.

The documents are at **ATTACHMENT C**.

Material considered in making my decision

I had regard to:

- the scope of the FOI request
- the content of the documents subject to your request;
- the relevant provisions in the FOI Act;
- advice from subject matter experts within the Department;
- the Guidelines issued by the Australian Information Commissioner under s93A of the Freedom of Information Act 1982 (the FOI Guidelines).

Reasons for decision

Material deleted pursuant to Section 22

Deletion of irrelevant material

Section 22 of the FOI Act allows for information that is irrelevant to your request to be deleted. The documents captured by your request include the personal information of junior government officers and the personal contact information of senior government officers. As iterated in our correspondence of 18 January 2017, the Department considers this material to be irrelevant to the scope of a request where no representation has been made that they be specifically included. The Department has not received a representation to this effect. Accordingly, I have decided that the personal information of junior government officers and the personal contact details of senior officers are irrelevant to the scope of your request and have deleted that information pursuant to section 22 of the FOI Act.

Disclosure Log

Pursuant to section 11C of the FOI Act, the Department will publish the documents at **ATTACHMENT C** on their website within 10 days of providing you with this decision.

Further assistance

The FOI Contact Officer in the Department can be contacted by telephone on 02 6274 2098 or by email at foi@environment.gov.au.

Yours sincerely

Bruce Edwards
