

**Notice of Decision under the *Freedom of Information Act 1982***

Applicant: Dan Monceaux  
Decision Maker: Steven McIntosh  
Senior Manager, Government & International Affairs  
Date of Decision: 27 January 2017  
Organisation: Australian Nuclear Science and Technology Organisation

This is my decision and reasons in relation to the request made by Dan Monceaux (the applicant) on 14 January 2017. The request sought access to the following document under the FOI Act:

- *A digital copy (scan) of the 1955 AAEC publication 'Clothing for radiation protection'*

I am authorised under section 23 of the FOI Act to make a decision.

**DECISION**

Through consultation with the ANSTO library, a document titled '*Clothing for Radiation Protection, 29/6/1955*' was identified in hard copy form. The document was then scanned to make an electronic version. Due the age of the document it is difficult to read in parts, and it does bear some markings that appear to have been made by hand.

I have decided to grant access in full.

Steven McIntosh  
Senior Manager, Government & International Affairs
