Dear Mr Warren

Acknowledgement of your Freedom of Information Request

I refer to your request for access to documents under the *Freedom of Information Act 1982* (the **FOI Act**). I have taken your request to be for:

- ' - The business case document(s) for the Pay As You Go (PAYG) data matching initiative that is the subject of Question on Notice HS 15 from the Senate Community Affairs Legislation Committee Budget Estimates hearing on 3 June 2015.
http://www.aph.gov.au/Parliamentary_Business/Senate_Estimates/claccte/estimates/bud1516/DHS/index
- Documents that describe the algorithm or process used to perform the data matching that identified the "approximately 1,080,000" discrepancies between PAYG data and data reported by DHS customers, as referred to in the Answer to Question HS 15.
- Documents that describe the analysis process for how the value of "historical discrepancies", as described in the Answer to Question HS 15, was determined. Such documents should describe the statistical method, the sampling process used, statistics returned (standard error, mean, confidence interval, etc.), how the likely average debt value was determined, etc.
- Documents containing the program specifications/requirements used to define how the data matching process should be implemented by programmers. Such documents would refer to, for example, the use of certain fields to match on such as ABN, Business Name, Customer Name, etc'.

Your request was received by the department on 14 January 2017 and the 30 day statutory period for processing your request commenced from the day after that date. You should therefore expect a decision from us by 14 February 2017. The period of 30 days may be extended if we need to consult third parties or for other reasons. We will advise you if this happens.

The department will advise you if a charge is payable to process your request and the amount of any such charge as soon as practicable.

Your Address

The FOI Act requires that you provide us with an address which we can send notices to. You have advised your electronic address is foi+request-2903-a8c2eff5@righttoknow.org.au. We will send all notices and correspondence to this address. Please advise us as soon as possible if you wish correspondence to be sent to another address or if your address changes. If you do not advise us of changes to your address, correspondence and notices will continue to be sent to the address specified above.

Administrative Release of Documents

A number of the documents you are seeking may be generally available to you without the need for a formal FOI request and can be released through the department's administrative access arrangements ('the arrangements'). Unless you advise us otherwise, in processing your request we may provide you with documents under these arrangements where appropriate. The arrangements do not extend to information or materials of third parties. Where documents are released to you under the arrangements we will advise you in our decision letter.

Disclosure Log

Please note that information released under FOI Act may be published in a disclosure log on the department's website. Section 11C of the FOI Act requires this publication, however it is subject to certain exceptions, including where publication of personal, business, professional or commercial information would be unreasonable.

Exclusion of junior department employee details

The department is working towards ensuring that all employees have a choice about whether they provide their full name, personal logon identifiers and direct contact details in response to public enquiries. Where such details are included in the scope of a request, this may add to processing time and applicable charges as it may be necessary to consider whether the details are exempt under the FOI Act. On this basis, unless you tell us otherwise, we will assume that these details are out of scope of your request and they will be redacted under section 22 of the FOI Act.
