

11 April 2017

Dear Mr Monceaux

Thank you for your email received 29 March 2017 seeking access to documents in the possession of the Fisheries Research & Development Corporation in accordance with the *Freedom of Information Act 1982*.

Your request seeks access to the following:

I am writing to request digital copies of the minutes of all meetings of the South Australian Research Advisory Council (RAC) which contain discussion of the following subjects:

- *finfish aquaculture*
- *nutrient loading*
- *multitrophic aquaculture*
- *cuttlefish*

Your request will be processed in accordance with the FOI Act.

If documents falling within the scope of your request contain information relating to third parties. I am required to consult with those parties to provide them with an opportunity to make submissions about the potential impact of the release of information before a decision is made. The Act allows for the statutory period for processing your request to be extended for a further 30 days whilst this consultation is undertaken.

Alternatively, to assist within a quicker time frame, if the documents fall within the scope of the request, the FRDC can redact the names from those documents before their release.

Please let us know by return email at foi@frdc.com.au if you oppose the personal information being withheld. Otherwise we will assume that you agree to that information being excluded from the scope of your request.

You will be notified of any charges in relation to your request, or of a decision, as soon as possible.

I can be contacted on telephone (02) 62850400 or e-mail foi@frdc.com.au for any assistance with your request.

Yours sincerely

Cheryl Cole
Freedom of Information Officer
