Dear Mr Beatty

FREEDOM OF INFORMATION REQUEST: ESTIMATE OF CHARGES

I refer to your email of 27 January 2017 (**Attachment A**) to the FOI contact officer in which you sought access to the following under the *Freedom of Information Act 1982* (FOI Act):

- Documentation that is used by the ABS to select or determine the random participants in its Monthly Population Survey for the City of Greater Bendigo in Victoria.

On 30 January 2017 the ABS emailed you to advise that we previously released a number of documents regarding how participants were chosen and the reasons for choosing locations that may be relevant to your request that can be accessed at the following link: <http://www.abs.gov.au/websitedbs/D3310114.nsf/home/Disclosure+log>

The *Freedom of Information (Fees and Charges) Amendment Regulations 2010* (the Regulations) prescribe that charges can be levied in respect of a request for access to documents. These charges are set out by the Regulations and are for search and retrieval of documents, decision making and provision.

I am an authorised decision maker under section 23 of the FOI Act and I have decided that you are liable to pay a charge in respect of the processing of your request.

My preliminary assessment of the charge is \$290 (please see the table for details of the charges).

Search and retrieval – \$15 per hour • search of the ABS’s electronic records systems and of files held by individuals in areas for which the subject matter contained in the request is potentially of relevance. Estimated number of hours required: 10 hours	\$150
Decision-making (after deducting the first five hours which are free of charge) – \$20 per hour • time spent by an agency preparing either a schedule of documents or a recommendation for the authorised decision maker • examination of relevant pages for decision making (includes exempted pages and pages released with redactions) • consultation with other parties • redacting exempt material Estimated number of hours required: 7 hours (after the first five hours)	\$140
TOTAL COST	\$290

The charges set out in the above table are determined by the Regulations and reflect the work involved in processing this request.

The charges are not indicative of the level of access that may be granted to the documents sought.

The ABS treats documents that are publicly available (for example, documents published on a publicly accessible website) as irrelevant to a FOI request. This means that you will not be provided with publicly available documents under FOI.

In addition, I anticipate that the following exemption scenarios provided by the FOI Act could apply to the documents you seek:

- section 47 – information having a commercial value that if disclosed, could reasonably be expected to be diminished
- section 47C – documents would disclose deliberative matter
- section 47E – documents would or could be reasonably expected to have an adverse effect on the proper and efficient conduct of the operations of an agency
- section 47F – documents would involve the unreasonable disclosure of personal information about any person
- section 47G – documents could unreasonably affect a person adversely in respect of his or her lawful business or professional affairs
- Schedule 2, Part II, Division 2 – documents containing information collected under the Census and Statistics Act 1905.

The Regulations prescribe that where a charge is imposed and the charge exceeds \$100.00, a deposit of up to 25 per cent of the estimated charges may be sought. Based on the preliminary estimate of charges for your request, which is \$290, you will be required to pay a deposit of \$72 before work on your request commences.

I note that, given the nature of the documents you seek, it is anticipated that a large number of documents in scope of your request will be subject to exemptions under the FOI Act, which may result in the ABS refusing you access to the documents.

Within 30 days of receipt of this notice you are required to either:

- pay the charge; or
- pay a deposit with the remainder to be paid prior to receipt of documentation; or
- contend that the charge
 - has been wrongly assessed, or
 - should be reduced, or
 - not imposed, or both; or
- withdraw your request.

} You should give
} full reasons for so
} contending

Options for payment are provided at **Attachment B**.

You may contend that the charge has been wrongly assessed, or should be reduced or not imposed (see **Attachment C**). In deciding whether to reduce or not to impose a charge, the decision maker has discretion to consider reduction or remission of charges for any reason, including the following reasons:

- the payment of the fee or a part of the fee would cause financial hardship to the applicant or person on whose behalf the application was made; or
- the giving of access is in the general public interest or in the interest of a substantial section of the public.

If you wish to contest the charges, you should give full reasons for doing so.

If you fail to notify the ABS in a manner described above within 30 days of receipt of this notice, it will be taken that you have withdrawn your request.

The ABS generally considers the names (other than that of the Australian Statistician), email addresses and other contact details of public service officers to be irrelevant to an FOI request. These details will not be released pursuant to section 22 of the FOI Act. As per section 47F of the FOI Act, names and contact details may also be withheld for personal privacy reasons.

In accordance with section 31 of the FOI Act, the 30 day limit for processing your request is suspended from the day that you receive this notice. It resumes on either the day you pay the charge (in full or the required deposit) or the day on which this agency makes a decision not to impose a charge.

Consistent with the FOI Act, the ABS publishes all documents disclosed in response to FOI requests (other than personal or business information that it would be unreasonable to publish) on the ABS website at the same time as the applicant receives the response.

Please note, if you decide not to proceed with your FOI request and pay the deposit within the timeframe specified by the Regulations, the ABS will still provide you with a list of links to publicly available papers that may be sufficient to address your needs.

If you have any queries on this matter please contact the ABS FOI Contact Officer at freedomofinformation@abs.gov.au or on (02) 6252 7203.

Yours sincerely
