Our reference: LEX 26567

Mr Justin Warren

By email: foi+request-3024-e4628f7a@righttoknow.org.au

Dear Mr Warren,

Acknowledgement of your Freedom of Information Request

I refer to your request for access to documents under the *Freedom of Information Act 1982* (the **FOI Act**). I have taken your request to be for:

'I request the following information relating to the initiative to match Centrelink data with data from the Australian Tax Office (ATO) to detect potential overpayment and the recovery of those overpayments from citizens.

- Documents listing identified risks, categorisations (Likelihood, Impact, etc.), and treatments (e.g. Risk Registers) in the period 1 Jan 2016 to 31 Dec 2016.

This initiative has been extensively covered by the media using various names, including #robodebt and #notmydebt'.

Your request was received by the department on 6 February 2017 and the 30 day statutory period for processing your request commenced from the day after that date. You should therefore expect a decision from us by 8 March 2017. The period of 30 days may be extended if we need to consult third parties or for other reasons. We will advise you if this happens.

I note that the Right to Know website indicates you made an amendment to your request. I understand that you intended the amendment to relate to another request (LEX 26566). I will continue to process your original request unless you advise me otherwise.

The department will advise you if a charge is payable to process your request and the amount of any such charge as soon as practicable.

Your Address

The FOI Act requires that you provide us with an address which we can send notices to. You have advised your electronic address is foi+request-3024-e4628f7a@righttoknow.org.au. We will send all notices and correspondence to this address. Please advise us as soon as possible if you wish correspondence to be sent to another address or if your address changes. If you do not advise us of changes to your address, correspondence and notices will continue to be sent to the address specified above.

Administrative Release of Documents

A number of the documents you are seeking may be generally available to you without the need for a formal FOI request and can be released through the department's administrative access arrangements ('the arrangements'). Unless you advise us otherwise, in processing your request we may provide you with documents under these arrangements where appropriate. The arrangements do not extend to information or materials of third parties. Where documents are released to you under the arrangements we will advise you in our decision letter.

Disclosure Log

Please note that information released under FOI Act may be published in a disclosure log on the department's website. Section 11C of the FOI Act requires this publication, however it is subject to certain exceptions, including where publication of personal, business, professional or commercial information would be unreasonable.

Exclusion of junior department employee details

The department is working towards ensuring that all employees have a choice about whether they provide their full name, personal logon identifiers and direct contact details in response to public enquiries. Where such details are included in the scope of a request, this may add to processing time and applicable charges as it may be necessary to consider whether the details are exempt under the FOI Act. On this basis, unless you tell us otherwise, we will assume that these details are out of scope of your request and they will be redacted under section 22 of the FOI Act.
