Dear Mr Smith

Acknowledgement of your Freedom of Information Request

I refer to your request for access to documents under the *Freedom of Information Act 1982* (the **FOI Act**). I have taken your request to be for:

'....

The Minister (Mr Tudge) has stated that the main concern of this 'system' is to ensure the all claimants receive the correct amount: to quote his words "no more and no less".

...

This statement indicates that as well as identifying over payments ("no more"- the value of \$300m has been publically quoted) the system must also identify occasions when there have been underpayments (no less).

I request that you provide me with details as to:

what value of underpayments have been identified by the process?

Additionally, what value of reimbursements have been sent out to correct this?'

Your request was received by the department on 13 February 2017 and the 30 day statutory period for processing your request commenced from the day after that date. You should therefore expect a decision from us by 13 March 2017. The period of 30 days may be extended if we need to consult third parties or for other reasons. We will advise you if this happens.

The department will advise you if a charge is payable to process your request and the amount of any such charge as soon as practicable.

Your Address

The FOI Act requires that you provide us with an address which we can send notices to. You have advised your electronic address is foi+request-3039-73e673e4@righttoknow.org.au. We will send all notices and correspondence to this address. Please advise us as soon as possible if you wish correspondence to be sent to another address or if your address

changes. If you do not advise us of changes to your address, correspondence and notices will continue to be sent to the address specified above.

Disclosure Log

Please note that information released under FOI Act may be published in a disclosure log on the department's website. Section 11C of the FOI Act requires this publication, however it is subject to certain exceptions, including where publication of personal, business, professional or commercial information would be unreasonable.

Exclusion of junior department employee details

The department is working towards ensuring that all employees have a choice about whether they provide their full name, personal logon identifiers and direct contact details in response to public enquiries. Where such details are included in the scope of a request, this may add to processing time and applicable charges as it may be necessary to consider whether the details are exempt under the FOI Act. On this basis, unless you tell us otherwise, we will assume that these details are out of scope of your request and they will be redacted under section 22 of the FOI Act.
