Thanks s22(1). Here is the ballot list as it stands at the moment. If you could please arrange the passwords that would be great.

Thanks s22(1) Much appreciated.

Also, just checking, for the ballot list, I'm proposing to send the employee information to you in the following format for you guys to assign the individual ballot passwords. Let me know if this is all ok from your end?

Hi s22([REDACTED]

Thanks for this. I've updated the online forms for those dates.

For the invitation, I've marked up a couple of changes (mainly AEST -> AEDT) and added a line in for the telephone contact time.

Cheers,

s22([REDACTED]

Just a quick heads up. It looks like we are about to proceed to an EA ballot. The ballot dates are looking like - **9am Thursday, 3 November to 1pm Friday, 11 November.**

We've conducted testing at this end and had no issues accessing the website or with the test user id's you sent through. We are just pulling an employee ballot list together for you now and will have this to you over the next couple of days. I've also attached the text we will include in the voting instructions just to ensure all is ok from your perspective.

Cheers, s22(

I've updated the online voting pages, and moved them to the following link:

<https://www.orima.com.au/vote/acic>

The start and end times/dates mirror the April ballot, just been moved to mid October for indicative purposes. You should check the contact information in the Ballot Contacts and FAQ pages to make sure they are OK.

The attached list of test accounts can be used safely throughout the process, as they will never get mixed up with actual votes accounts.

Thanks

Thanks s22(1) here is a logo. When you get a chance could you please send me the address for the voting website so I can ensure no issues from this end. I'll confirm the process but would expect the same as last time.

Hi s22(

Thanks for this – timing shouldn't be a problem, and the costings for a follow-up ballot would not be affected by the small increase in staff numbers.

We'll update the voting website and documents for the new agency name, and put in some 'indicative' dates. You should use these to confirm ballot contact details etc.

For this update, would you be able to provide a black on white logo for the ACIC?

I presume the fieldwork process will be the same as last round:

- No postal invitations
- You will provide a list of 'user IDs' – we will provide a password against each ID
- Email invitations will be sent out by the ACIC at the opening of the ballot

The list of user IDs will only need to get to us a day or so before the ballot starts, as long as you allow sufficient time for yourselves to set up the mail merge. Last time it came to us at the beginning of the access period, with a few additional IDs during the week..

Cheers

Hi s22(1)

As discussed briefly last week, the ACIC would like to begin preparing for a 'second ballot' as outlined within the attached proposal.

Due to a recent merger of the ACC and CrimTrac on 1 July 2016 (which formed the ACIC) we expect the total number of employees requested to participate in the ballot will increase by around 200 or so from last time.

s22(1)(a)(ii)

Final timing is still to be determined, potentially in approximately 3-4 weeks, however I wanted to get the ball rolling. Please let me know what else you might need from this end and many thanks for all of your assistance.

Kindest regards, s22
