Dear Mr Warren

Acknowledgement of your Freedom of Information Request

I refer to your request for access to documents under the *Freedom of Information Act 1982* (the **FOI Act**). I have taken your request to be for:

'... those documents that authorised the release of information under section 208(1)(a) of the Social Security (Administration) Act 1999 (http://www.austlii.edu.au/au/legis/cth/consol_act/ssa1999338/s208.html) between the dates of 1 June 2016 to 1 March 2017 (inclusive) that are classed under Social Security (Public Interest Certificate Guidelines) (DSS) Determination 2015 section 10 (Mistake of fact) (https://www.legislation.gov.au/Details/F2015L01267/Html/Text#_Toc419446044)'.

On 23 March 2017, the department provided you with information regarding the documents you sought in LEX 27960. This information was provided to you in order to assist you in making a revision within the formal consultation period under section 24AB of the FOI Act. However, you did not provide your response before the end of the consultation period and your request was deemed withdrawn by operation of the FOI Act.

In order to assist you, we have taken your correspondence to be a new request, with the scope of that request as set out above.

Your new request was received by the department on 24 March 2017 and the 30 day statutory period for processing your request commenced from the day after that date. You should therefore expect a decision from us by 24 April 2017. The period of 30 days may be extended if we need to consult third parties or for other reasons. We will advise you if this happens.

The department will advise you if a charge is payable to process your request and the amount of any such charge as soon as practicable.

Your Address

The FOI Act requires that you provide us with an address which we can send notices to. You have advised your electronic address is foi+request-3180-243da4f1@righttoknow.org.au. We will send all notices and correspondence to this address. Please advise us as soon as possible if you wish correspondence to be sent to another address or if your address

changes. If you do not advise us of changes to your address, correspondence and notices will continue to be sent to the address specified above.

Disclosure Log

Please note that information released under FOI Act may be published in a disclosure log on the department's website. Section 11C of the FOI Act requires this publication, however it is subject to certain exceptions, including where publication of personal, business, professional or commercial information would be unreasonable.

Exclusion of junior department employee details

The department is working towards ensuring that all employees have a choice about whether they provide their full name, personal logon identifiers and direct contact details in response to public enquiries. Where such details are included in the scope of a request, this may add to processing time and applicable charges as it may be necessary to consider whether the details are exempt under the FOI Act. On this basis, unless you tell us otherwise, we will assume that these details are out of scope of your request and they will be redacted under section 22 of the FOI Act.
