Dear JS

Acknowledgment of request for internal review of freedom of information decision

I refer to your email dated 24 May 2017 in which you query the ACCC's decision regarding charges dated 1 May 2017. It relates to your request for access to:

'documents referred to in an article published in the The Sunday Mail (Qld) on January 22, 2017 and apparently already released under FOI.'

We have taken your email as a request for internal review and will notify you of the decision as soon as practicable.

Yours sincerely

Will Herron
