Dear Mr Clarke

## **Notice of consultation on Freedom of Information request – Supportive Housing Stapylton Street Holder**

I refer to your request made under the *Freedom of Information Act 1989* (the Act), received by the Chief Minister, Treasury and Economic Development Directorate (CMTEDD) on 22 April 2017. In your request you are seeking the Public Housing Renewal Taskforce's Report detailing the analysis and decision making process behind the recommended subdivision of Stapylton Street Block 2 Section 21 for up to 30 supportive houses.

### **Decision maker**

I am authorised under section 22 of the Act to make decisions on access to documents and liability for charges.

### **Consultation**

Documents identified as relevant to your request contain references regarding third parties. As such, I have decided under section 27 of the Act that these third parties may reasonably wish to contend that the documents should be treated as exempt under section 43 (*business affairs*) of the Act. As decision maker I am not bound by a third party's submission, but I am bound to consider them in making my decision to release or exempt the documents.

Where section 27 consultation is required, section 18(4) of the Act provides for a 30 day extension to the original statutory 30 day time limit to respond to your request. I shall forward to you my decision on whether the documents can be released after I receive the third party's submissions, noting that a decision on access is required by **22 May 2017**.

Chief Minister, Treasury and Economic Development
