Dear Mr Bacon

Acknowledgement of your Freedom of Information Request

I refer to your request for access to documents under the *Freedom of Information Act 1982* (the **FOI Act**). I have taken your request to be for:

‘Could you please send through all documents, including correspondence, from the last 2 years (March 2015 - March 24 2017) that refer to the payment methods the Department accepts for FOI requesters to pay charges.

Please exclude from the scope all FOI correspondence between requesters and FOI officers. I am only interested in internal documents; and correspondence between department staff, between staff and ministerial staff, and staff and 3rd parties.’

Your request was received by the department on 24 March 2017 and the 30 day statutory period for processing your request commenced from the day after that date. You should therefore expect a decision from us by 23 April 2017. The period of 30 days may be extended if we need to consult third parties or for other reasons. We will advise you if this happens.

The department will advise you if a charge is payable to process your request and the amount of any such charge as soon as practicable.

Your Address

The FOI Act requires that you provide us with an address which we can send notices to. You have advised your electronic address is foi+request-3283-a91552e1@righttoknow.org.au. We will send all notices and correspondence to this address. Please advise us as soon as possible if you wish correspondence to be sent to another address or if your address changes. If you do not advise us of changes to your address, correspondence and notices will continue to be sent to the address specified above.

Administrative Release of Documents

A number of the documents you are seeking may be generally available to you without the need for a formal FOI request and can be released through the department's administrative access arrangements ('the arrangements'). Unless you advise us otherwise, in processing your request we may provide you with documents under these arrangements where appropriate. The arrangements do not extend to information or materials of third parties.

Where documents are released to you under the arrangements we will advise you in our decision letter.

Disclosure Log

Please note that information released under FOI Act may be published in a disclosure log on the department's website. Section 11C of the FOI Act requires this publication, however it is subject to certain exceptions, including where publication of personal, business, professional or commercial information would be unreasonable.

Exclusion of junior department employee details

The department is working towards ensuring that all employees have a choice about whether they provide their full name, personal logon identifiers and direct contact details in response to public enquiries. Where such details are included in the scope of a request, this may add to processing time and applicable charges as it may be necessary to consider whether the details are exempt under the FOI Act. On this basis, unless you tell us otherwise, we will assume that these details are out of scope of your request and they will be redacted under section 22 of the FOI Act.
