Dear Mr Smith

Acknowledgement of Freedom of Information Access request

This letter refers to an access request received under the *Freedom of Information Act 1982* (the FOI Act) on 4 April 2017, seeking access to:

- 1. All documents sent to all employees which explain what information about them was passed onto the ballot provider for each ballot.*
- 2. Any documents sent to the relevant decision maker(s) who approved the use of the data that was used in the ballots.*
- 3. Any documents which explain the rationale for obtaining breakdowns of votes*
- 4. Any documents which mention benefits to the department or to the bargaining process in obtaining a breakdown of votes.*
- 5. Any documents between the departmental bargaining team and the departmental Executive which discuss breakdowns of votes and suggest how that information should be used or otherwise taken into consideration by the department.*
- 6. Any documents from the APSC that mention what information about employees can or should be used in ballots.*

Your request has been allocated FOI request number FA 17/04/00249. Please include your FOI request number in all correspondence with the Freedom of Information (FOI) Section.

Exclusion of non-SES staff personal details and SES telephone contact details

The Department's policy is to exclude the personal details of officers not in the Senior Executive Service (SES), as well as the mobile and work telephone numbers of SES staff, contained in documents that fall within scope of an FOI request. If you require names and contact details of non-SES officers, or direct telephone numbers of SES staff, please inform us so the decision maker may consider your request. Otherwise we will take it that you agree to that information being excluded from the scope of your request.

Timeframe for request

The statutory time frame provided under the FOI Act for processing requests is a standard 30 calendar days. Due to the unprecedented number of requests currently being received by the Department, our processing times have increased.

We appreciate your patience and understanding during this busy time and we will endeavour to finalise your request as soon as possible. Although we endeavour to have all requests finalised within the statutory timeframes, this is not practicable at this time. Requests that are outside the processing timeframes under the FOI Act will still continue to be processed by the Department.

FOI requests will generally be processed in the order that they are received. As the number of cases on-hand continues to increase, we are unable to give you an exact date for the finalisation of your request. In some cases where a request is specific and is seeking to access a single document the Department may process this type of request within the 30 day timeframe.
