Dear UD

Transfer of your Freedom of Information Request

I refer to your request for access to documents under the *Freedom of Information Act 1982* (the **FOI Act**). I have taken your request to be for:

'I write to request under the Freedom of Information Act all communications within your office and from the Department of Human Services relating to the releasing of personal information about Rhys Cauzzo to the Saturday Paper'.

Your request was received by the Minister's Office on 12 April 2017. On consideration of the terms of your request, it was determined that the requested documents are not in the possession of the Minister's Office. To my knowledge, relevant material may be held by the Department of Human Services (the department). For this reason, your request has been transferred to the department under section 16 of the FOI Act.

The department has accepted transfer of this request, and will be in touch with you regarding the process.

Further assistance

If you have any questions please email minister@humanservices.gov.au.

Yours sincerely
