

Data Request received	Detailed information requested	Data provided*
5/08/2013	<p>The data requested with filter of FOE code (060000-069999) Victorian Higher Education Providers (include Australian Catholic University) and special course code: 21, 23, 26 and 27 or Bachelor degree courses if special course code is null breakdown as below:</p> <p>(1) Enrolment: Commencing and continuing students by Higher Education Provider (code and name), course code, course name, Field of Education (FOE - code and name) by students status or citizenship (Domestic/International) level, 2011-2012.</p> <p>(2) Award course Completions for students by Higher Education Provider (code and name), course code, course name, Field of Education (FOE - code and name) by students status or citizenship (Domestic/International) level, 2011-2012.</p>	Four excel table provided on 7/08/2013
5/08/2013	Number of Indigenous and non-indigenous students by remote/regional status, 2011-2012	An excel table provided on 9/08/2013
5/08/2013	All Domestic undergraduate students enrolled at Table A providers by their state of permanent home location, 2011. All overseas students Country of permanent home residence, 1992-2003	Two excel tables provided on 12/08/2013
5/08/2013	An enquiry relating to data from the higher education statistics collection published in excel form as part of the '2012 Student Full Year' publications and data available through uCube.	Response provided on 6/08/2013
5/08/2013	Would you please be able to provide me with the Department's standard definitions for derived student variables?	HEIMS help web link provided on 6/08/2013
5/08/2013	Copyright paperwork: seek letter of permissions to publish the Australian Higher Education students data	Copyright approval provided on 12/8/2013
5/08/2013	Could you please let me now where I can find Doctorates completed in Australia, for foreign students, by country of origin/citizenship data?	Response provided on 5/8/2013
6/08/2013	Award course completions for undergraduate students in Natural and Physical Sciences course by state/Institution, 2008-2012	An excel table provided on 14/08/2013
6/08/2013	Number of students enrolment by institution, domestic/overseas status and postgraduate/undergraduate level, 1990-2000	Eight excel tables provided on 14/08/2013
6/08/2013	Award course completions for domestic bachelor students by Broad and Narrow FOE, Indigenous and Low SES in South Australia and total Australia, 2011.	An excel table provided on 16/08/2013
6/08/2013	<p>Number of Commencing and all Domestic undergraduate students by gender, and detailed field of education, 2007-2012</p> <p>Award course completions for Domestic undergraduate students by gender, and detailed field of education, 2007-2012</p> <p>Number of Commencing and all Overseas undergraduate students by gender, and detailed field of education, 2007-2012</p> <p>Award course completions for Overseas undergraduate students by gender, and detailed field of education, 2007-2012</p>	<p>Two excel tables provided on 26/08/2012</p> <p>An excel table provided on 26/08/2013</p> <p>Two excel tables provided on 26/08/2012</p> <p>An excel table provided on 26/08/2013</p>
6/08/2013	Call centre Enquiry: course code difference between Grad dip new ara and ext area. The caller would like a specialist to look into this matter and contact them to assist further.	Sent level of course code on 6/8/2013
6/08/08213	I was hoping to clarify with someone the difference between success rate and progress rate published in the Higher Education Statistics publications.	Published Foot note provided on 06/08/2013

7/08/2013	Three csv files requested as follows: Table 1: Enrolments - Commencing/Continuing students by state, institution, year, course type(UG, PG Coursework & HDR) Course Broad FOE, Course Details FOE, Citizenship Grouped in to Domestic, 'On-shore International', 'Off-shore International', Commencing/continuing & count of enrolment, 2001-2012 Table 2: Enrolment - Mode of attendance by state, institution, year, course type(UG, PG Coursework & HDR) Course Broad FOE, Course Details FOE, Citizenship Grouped in to Domestic, 'On-shore International', 'Off-shore International', Mode of attendance - 'internal', 'external', 'multi mode' & count of enrolment, 2001-2012 Table 3: Enrolments - New Basis of Admission by state, institution, year, course type(UG, PG Coursework & HDR) Course Broad FOE, Course Narrow FOE, Course Detailed FOE, Citizenship Grouped in to Domestic, 'On-shore International', 'Off-shore International', & Count of Students, 2001-2012.	Three csv files provided on 13/08/2013
7/08/2013	Aggregated dataset with: Students headcount, year, Institution code and name, States & Territories and Multi - State code and name, Home Location: Prefix 'A' in details, Prefix 'X' grouped into region, Citizenship: 'Domestic, Onshore overseas student, offshore overseas student, no information', Commencing indicator: code 1 & 2, Students status code: 'Fee paying domestic students, Fee paying overseas students, Non Award and RTS', Course type of code: Postgraduate, Undergraduate, Non award and Others, 2007-2012.	Aggregated dataset provided on 12/08/2013
7/08/2013	Requested four sets of data for 2001-2012: Table 1: Commencing and all students by State, Countries by Regions, mode of attendances, 2001-2012. Table 2: Commencing and all students by Broad field of education, State, Citizenship and mode of attendance, 2001-2012 Table 3: Award course completions by State, country of regions, citizenship and mode of attendance, 2001-2012 Table 4: Award course completions by Broad field of education, State, Citizenship and mode of attendance, 2001-2012	Four excel tables provided on 12/08/2013
7/08/2013	Query regarding data sourced from the Data cube and the data presented in the spread sheets on student numbers on the website.	Response provide on 12/08/2013
8/08/2013	Table 1; Award course completions for universities by higher degree, pass degree categories and field of education, 2010-2012. Table 2: Award course completions for all students at Queensland higher education providers by higher degree, pass degree categories by field of education, 2010-2012.	Two excel tables provided on 21/082013
8/08/2013	Actual Student load(EFTSL) for all students by state, Institution, mode of attendance and type of attendance, 2012.	Two excel tables provided on 12/08/2013
8/08/2013	Commencing Domestic and all Students at Griffith University by Age group and Broad level of course, 2012	Two excel table provided on 15/08/2012
8/08/2013	I am conducting research on 'academic recruitment of doctoral graduates in Australia' and would like the most recent staff data please advise.	Web link and response provided on /08/08/2013
8/08/2013	Number of full-time Academic staff by place of highest qualification and institution	Excel table provided on 26/08/2013

9/08/2013	<p>Requested a list of csv format files with various combinations:</p> <p>1): Number of commencing domestic students by broad level of course and Mode of attendance, 2009-2012</p> <p>2): Number of commencing overseas students by broad level of course and Mode of attendance, 2009-2012</p> <p>3): Number of commencing domestic students by broad level of course, Mode of attendance and Broad field of education, 2009-2012</p> <p>4): Number of commencing Overseas students by broad level of course, Mode of attendance and Broad field of education, 2009-2012</p> <p>5): Number of commencing domestic students by broad level of course, Mode of attendance and Narrow field of education, 2009-2012</p> <p>6): Number of commencing Overseas students by broad level of course, Mode of attendance and Narrow field of education, 2009-2012</p> <p>7): Number of commencing domestic students by broad level of course, Mode of attendance and Detailed field of education, 2009-2012</p> <p>8): Number of commencing Overseas students by broad level of course, Mode of attendance and Detailed field of education, 2009-2012</p> <p>9): Number of commencing domestic students by State, Institution, broad level of course, Mode of attendance and Course name , 2009-2012</p> <p>10): Number of commencing overseas students by State, Institution, broad level of course, Mode of attendance and course name, 2009-2012</p> <p>11): Number of commencing all students by State, Institution, broad level of course, Mode of attendance and course name, 2009-2012</p> <p>12): Number of commencing overseas students by Country of birth broad level of course and Mode of attendance, 2009-2012</p> <p>13): Number of commencing Overseas students by Country of birth broad level of course, Mode of attendance and Broad field of education, 2009-2012</p> <p>14): Number of commencing Overseas students by Country of birth broad level of course, Mode of attendance and Narrow field of education, 2009-2012</p> <p>15): Number of commencing Overseas students by Country of birth broad level of course, Mode of attendance and Detailed field of education, 2009-2012</p> <p>16): Number of commencing overseas students by Country of birth, State, Institution, broad level of course, Mode of attendance and course name, 2009-2012</p> <p>17): Number of commencing all students by country of birth, State, Institution, broad level of course, Mode of attendance and course name, 2009-2012</p>	Data provided in csv files on 28/08/2013
9/08/2013	Number of overseas students enrolled at Law courses (field of education code: 090900-090999) by top ten country of permanent home residence and bachelor level of course, 2003-2012.	Four excel tables provided on 13/08/2013

	Number of overseas students enrolled at Law courses (field of education code: 090900-090999) by top ten country of permanent home residence and Master's by Research & Master's of course work, 2003-2012.	
	Number of Chinese students enrolled at Law courses (field of education code: 090900-090999) by bachelor level of course and Institution, 2003-2012.	
	Number of Chinese students enrolled at Law courses (field of education code: 090900-090999) by Master's by Research & Master's by coursework and Institution, 2003-2012.	
9/08/2013	Query regarding the higher education statistics dataset	Response provided on 12/08/2013
9/08/2013	As the 2012 full year tables have been released, could you advise when uCube data should be available?	uCube link provided on 12/08/2013
12/08/2013	Data request for the Gold coast campuses (from Griffith University, Bond University, Southern Cross University and Central Queensland University)	Four excel tables provided on 26/08/2013
	Table 1. International and domestic students enrolment numbers by all broad field of education(2011-2012)	
	Table 2. All International students enrolment numbers by all broad field of education(2011-2012)	
	Table 3: All International students enrolment numbers by country of permanent home residence(2009-2012)	
	Table 4: All International Students who has enrolled in Queensland institution by gender and country of permanent home residence (2009-2012)	
12/08/2013	Three csv data requested: Enrolment: Broad field of health, narrow field of Natural and physical sciences, detailed field of Biomedical engineering, Nursing education Teacher Training, Public and health care administration, indigenous study, Human welfare studies and services, Behavioural Sciences, by state, institution, age, gender, indigenous status, domestic and overseas status, (2011-2012) Load: same field as above by discipline group (2001-2012) Completions: same as enrolment data and specialisation code/name (2001-2012)	Three csv files provided on 22/08/2013
12/08/2013	Query: Statistics on the background of law students in Australia: How long would it take for the data requested to be processed?	Response provided on /12/08/2013
12/08/2013	May I please have permission to use the Higher education students data	Approval provided on 14/08/2013
13/08/2013	Commencing Domestic undergraduate students enrolled at field of Law by gender, age group, remote and regional status, 2001-2012	An excel table provided on 19/08/2013
13/08/2013	Participation numbers by equity group for Undergraduate and all domestic students, 2007-2012	Two excel tables provided on 20/08/2012.
13/08/2013	Actual Student load(EFTSL) for onshore students by state/higher education providers, 2012	An excel table provided on 23/08/2013
13/08/2013	Query: trying to track down recent statistics of overseas/international students studying law/legal studies in Australian universities.	Response provided on 13/08/2013
14/08/2013	Enrolment: by age, gender, basis of admission, type of attendance and mode of attendance, state/institution, 2008-2012 Load: by age, gender, type of attendance, mode of attendance, student status, work experience, state and instution, 2008-2012	30 csv files provided on 26/08/2013

	Completions: by age, gender, Indigenous status, country of birth, state/Institution, 2008-2012	
14/08/2013	All students enrolled in selected field of education codes(100700-100799) by level of course, 2002-2012	An excel table provided on 21/08/2013
15/08/2013	Award course completions for domestic students by Level of course, Broad field of education and Gender, 2012	Two excel tables provided on 23/08/2013
	Award course completions for Indigenous students by Level of course and Gender, 2012	
15/08/2013	Commencing and all students from China studying English language in Australia by Institution and course level, 2008-2012	Response provided awaiting for further action.
15/08/2013	Number of students enrolled in game development courses by Gender and state, 2012	An excel table provided on 20/08/2013
15/08/2013	Commencing and all students enrolled in Human welfare studies and services field of education by domestic and overseas status, 2003-2012	An excel table provided on 22/08/2013
15/08/2013	Number of commencing and all international students for table A and B providers by course level, country of birth and detailed field of education, 2012	csv file provided on 23/08/2013
15/08/2013	Number of students enrolled in early childhood teacher education by Institution, level of course, basis of admission, domestic and overseas status, 2012	Two excel tables provided on 20/08/2013
15/08/2013	Taking research into the effects of government intervention into education and how that affected costs of university. Any figures of the average unit of yearly cost of universities over time?	Referred to relevant area of the department on 19/08/2013
15/08/2013	Request letter of permissions to publish the higher education students data	Permissions provided on 19/08/2013
15/08/2013	Where can I find detailed information on how to request the statistical information?	Web link provided on 15/08/2013
15/08/2013	An Australia citizen living abroad in Dubai, UAE. I'd like to know if Emirates Aviation College in Dubai, United Arab Emirates is a recognised and accredited education institution in Australia?	Referred to AEI web link on 15/08/2013

* To avoid any risk of disseminating identifiable data, a disclosure control technique called data suppression has been utilised. Cells that have values of less than five have been primarily suppressed and annotated as '< 5'. To prevent cells that have been primarily suppressed from being calculated, other cells may also need to be suppressed. This is known as consequential or secondary suppression. These cells are annotated as 'np' (not published).
