Hi,

Thank you.

We are eager to commence, [REDACTED] s47C, s47  
[REDACTED] s47C, s47 As soon as we receive the data in the  
required specification, we can begin the project.

To that end, we suggest a meeting tomorrow afternoon with the team. It is very important that the DSS data engineer for this project can attend. This will give the opportunity to clarify any data specification issues and in it turn speed up the project start and end dates.

Kind Regards,
