Dear Mr Doig

Acknowledgement of Freedom of Information Access request

This letter refers to an access request received under the *Freedom of Information Act 1982* (the FOI Act) on 29 June 2017, seeking access to:

'On the 10th August 2016, under the headline "RI tells Australia it's overwhelmed by refugees", the Indonesian newspaper The Jakarta Post reported that:

"Laura Kemp, a spokesperson at the Australian Embassy in Jakarta, said her country would remain committed to providing assistance to this global humanitarian problem, including to refugees in Indonesia. 'The country has provided a wide range of funding to enable migrants to return voluntarily from Indonesia to their country of origin. Around 5,200 migrants have accessed this program since 2000,' Kemp said in a statement to The Jakarta Post on Tuesday."

Please provide any documents supporting Ms Kemp's statement.'

Your request has been allocated FOI request number FA 17/06/00891. Please include your FOI request number in all correspondence with the Freedom of Information (FOI) Section.

Exclusion of non-SES staff personal details and SES telephone contact details

The Department's policy is to exclude the personal details of officers not in the Senior Executive Service (SES), as well as the mobile and work telephone numbers of SES staff, contained in documents that fall within scope of an FOI request. If you require names and contact details of non-SES officers, or direct telephone numbers of SES staff, please inform us so the decision maker may consider your request. Otherwise we will take it that you agree to that information being excluded from the scope of your request.

Timeframe for request

The statutory time frame provided under the FOI Act for processing requests is a standard 30 calendar days. Due to the unprecedented number of requests currently being received by the Department, our processing times have increased.

We appreciate your patience and understanding during this busy time and we will endeavour to finalise your request as soon as possible. Although we endeavour to have all requests finalised within the statutory timeframes, this is not practicable at this time. Requests that are outside the processing timeframes under the FOI Act will still continue to be processed by the Department.

FOI requests will generally be processed in the order that they are received. As the number of cases on-hand continues to increase, we are unable to give you an exact date for the finalisation of your request. In some cases where a request is specific and is seeking to access a single document the Department may process this type of request within the 30 day timeframe.
