LS6130 FOI REQUEST BY BENJAM

Request for:

a complete copy of the periodic disclosures database which stores the data displayed on http://periodicdisclosures.aec.gov.au to be supplied in a machine readable format, for example, SQL or CSV that includes all tables and columns which make up the database.

SCHEDULE OF RELEASED DOCUMENTS

Document No.	Description	Date
1	Annual Returns Locator Service (the 'Service') being a database of records that have been entered from the original Annual Returns lodged with the AEC including copies of the original returns, as submitted, that are identifiable and retrievable from the Service in the form of Adobe Acrobat PDF files.	undated
	RECOMMENDATION 1.1 Document No. 1 consists of the public part of the Service published by the AEC for reference online at http://periodicdisclosures.aec.gov.au/. 1.2 The information published for reference in Document 1 is out of scope of that which may be requested as a document under section 15 of the FOI Act. 1.3 Redundant historical fields in the Service no longer published by the AEC for reference online at http://periodicdisclosures.aec.gov.au/ fall within the scope of scope of that which may be requested as a document under section 15 of the FOI Act. 1.4 It is appropriate to consider access to each of the historical fields mentioned in item 1.3 as a discrete document, namely document Nos 2 − 9.	

Document No.	Description	Date
	DECISION 1.5 I have decided to **refuse access** to Document No. 1.	
2	Database field *AnnualReturns* forming part of the Service	undated
	RECOMMENDATION 2.1 Document No. 2 is a redundant historical field in the Service no longer published by the AEC for reference. 2.2 Document No. 2 contains no exempt material.	
	DECISION 2.3 I have decided to **give access** to Document No. 2.	
3	Database field *Clients* forming part of the Service	undated
	RECOMMENDATION 3.1 Document No. 3 is a redundant historical field in the Service no longer published by the AEC for reference. 3.2 Document No. 3 contains no exempt material.	
	DECISION 3.3 I have decided to **give access** to Document No. 3.	
	Database field *DonationsMade* forming part of the Service	undated

Document No.	Description	Date
4	**RECOMMENDATION** 4.1 Document No. 4 is a redundant historical field in the Service no longer published by the AEC for reference. 4.2 Document No. 4 contains no exempt material.	
	DECISION 4.3 I have decided to **give access** to Document No. 4.	
5	Database field *Groups* forming part of the Service	undated
	RECOMMENDATION 5.1 Document No. 5 is a redundant historical field in the Service no longer published by the AEC for reference. 5.2 Document No. 5 contains no exempt material.	
	DECISION 5.3 I have decided to **give access** to Document No. 5.	
6	Database field *PaymentsReceived* forming part of the Service	undated
	RECOMMENDATION 6.1 Document No. 6 is a redundant historical field in the Service no longer published by the AEC for reference. 6.2 Document No. 6 contains no exempt material.	

Document No.	Description	Date
	DECISION 6.3 I have decided to **give access** to Document No. 6.	
7	Database field *ReturnImages* forming part of the Service	undated
	RECOMMENDATION 7.1 Document No. 7 is a redundant historical field in the Service no longer published by the AEC for reference. 7.2 Document No. 7 contains no exempt material.	
	DECISION 7.3 I have decided to **give access** to Document No. 7.	
8	Database field *SubmissionPeriods* forming part of the Service	undated
	RECOMMENDATION 8.1 Document No. 8 is a redundant historical field in the Service no longer published by the AEC for reference. 8.2 Document No. 8 contains no exempt material.	
	DECISION 8.3 I have decided to **give access** to Document No. 8.	
	Database field *SubmissionReferences* forming part of the Service	undated

Document No.	Description	Date
9	**RECOMMENDATION** 9.1 Document No. 9 is a redundant historical field in the Service no longer published by the AEC for reference. 9.2 Document No. 9 contains no exempt material.	
	DECISION 9.3 I have decided to **give access** to Document No. 9.
