Dear Mr Gothe-Snape

**Freedom of Information (FOI) request - Access Decision**

On 8 August 2017, the Department of Immigration and Border Protection (the Department) received a request for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

**1 Scope of request**

You have requested access to the following documents:

*Any correspondence between the office of the Workplace Relations Minister and the Department, and any minutes of meeting attended by the Workplace Relations Minister, concerning the three largest labour agreements (by number of visas approved) that came into effect between 1 January 2012 and 1 October 2013.*

**2 Authority to make decision**

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.

**3 Relevant material**

In reaching my decision I referred to the following:

- the terms of your request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from Departmental officers with responsibility for matters relating to the documents to which you sought access

- the Department's guidance material on the FOI Act

#### **4 Documents in scope of request**

The Department has undertaken reasonable searches in relation to the documents you have requested access to.

##### ***Searches***

In summary, the searches undertaken by the relevant business areas in relation to your request included:

- Exec Corro (ministerial management system)
- Relevant business area G drives
- Relevant business area email mailboxes
- TRIM

Having regard to your request and the types of documents that may fall within the scope of your request I am satisfied that the searches conducted were extremely thorough and all reasonable steps have been taken to locate any document relevant to your request.

#### **5 Decision**

Section 24A of the FOI Act provided that the Department may refuse a request for access to a document if all reasonable steps have been taken to find the document and the Department is satisfied that the document does not exist.

Having considered the searches outlined above, I am satisfied that the Department has undertaken reasonable searches in relation to your request and that no documents were in the possession of the Department on 8 August 2017 when your FOI request was received. As such I am refusing access to the documents requested by you based on the application of section 24A of the FOI Act.
