Dear Mr Warren

Acknowledgement of your Freedom of Information Request

I refer to your request for access to documents under the *Freedom of Information Act 1982* (the **FOI Act**). I have taken your request to be for:

'Final versions of documents produced as part of the contract with Data61, described as Contract 1 in Question on Notice BI-25. This work was undertaken between 30 January 2017 and 2 February 2017 with a contract value of \$46,200 (incl. GST)."

I request copies of the documents in their original, electronic form, where possible'.

Your request was received by the department on 15 August 2017 and the 30 day statutory period for processing your request commenced from the day after that date. You should therefore expect a decision from us by 14 September 2017. The period of 30 days may be extended if we need to consult third parties or for other reasons. We will advise you if this happens.

Charges

The department will advise you if a charge is payable to process your request, and the amount of any such charge, as soon as practicable.

Your Address

The FOI Act requires that you provide us with an address which we can send notices to. You have advised your electronic address is foi+request-4028-158bf13f@righttoknow.org.au. We will send all notices and correspondence to this address. Please advise us as soon as possible if you wish correspondence to be sent to another address or if your address changes. If you do not advise us of changes to your address, correspondence and notices will continue to be sent to the address specified above.

Disclosure Log

Please note that information released under FOI Act may be published in a disclosure log on the department's website. Section 11C of the FOI Act requires this publication, however it is subject to certain exceptions, including where publication of personal, business, professional or commercial information would be unreasonable.

Exclusion of junior staff details

The department is working towards ensuring that all staff have a choice about whether they provide their full name, personal logon identifiers and direct contact details in response to public enquiries. Where such details are included in the scope of a request, this may add to processing time and applicable charges as it may be necessary to consider whether the details are exempt under the FOI Act. On this basis, unless you tell us otherwise, we will assume that these details are out of scope of your request and they will be redacted under section 22 of the FOI Act.
