Dear Mr Powers

Acknowledgement of your Freedom of Information Request

I refer to your request for access to documents under the *Freedom of Information Act 1982* (the **FOI Act**). You requested access to:

'I would like all reports given to the Attorney-General, Attorney-General's Department or Office of Legal Services Coordination regarding compliance with the Legal Services Directions, including but not limited to annual compliance certificates, for the period 1 July 2015 to present'.

Timeframe to Process Your FOI Request - extension of time

Your request was received by the department on 14 December 2017 and the 30 day statutory period for processing your request commenced from the day after that date.

Due to the department's reduced activity period over December and January, we are seeking your permission to extend the processing time by an extra 15 days to allow us to process your request. This means the date you can expect to receive a decision from us should be no later than 29 January 2017.

Unless we hear otherwise from you, we propose to treat this as an extension of time by agreement under the FOI Act (s15AA). If, however, you have any concerns with that timeframe, please let us know by emailing us at the email address set out below.

Charges

The department will advise you if a charge is payable to process your request and the amount of any such charge as soon as practicable. No charge is payable for providing a person with their own personal information.

Your Address

The FOI Act requires that you provide us with an address which we can send notices to. You have advised your electronic address is foi+request-4260-460fdd92@righttoknow.org.au. We will send all notices and correspondence to this address. Please advise us as soon as possible if you wish correspondence to be sent to another address or if your address changes. If you do not advise us of changes to your address, correspondence and notices will continue to be sent to the address specified above.

Disclosure Log

Please note that information released under FOI Act may be published in a disclosure log on the department's website. Section 11C of the FOI Act requires this publication, however it is subject to certain exceptions, including where publication of personal, business, professional or commercial information would be unreasonable.

Exclusion of junior department employee details

The department is working towards ensuring that all employees have a choice about whether they provide their full name, personal logon identifiers and direct contact details in response to public enquiries. Where such details are included in the scope of a request, this may add to processing time and applicable charges as it may be necessary to consider whether the details are exempt under the FOI Act. On this basis, unless you tell us otherwise, we will assume that these details are out of scope of your request and they will be redacted under section 22 of the FOI Act.
