Dear Mr Swann

Freedom of Information (FOI) Request

I refer to your email dated 15 January 2013 and received by the University on 15 January 2013 in which you seek access to documents under the *Freedom of Information Act 1982 (Cth)* ('the Act'). Your request seeks access to:

- a) *documents created during 2011 or 2012, which refer to the University's ownership and/or sale of shares in Metgasco;*
- b) *documents created during 2012, which refer to the University' purchase, sale or ownership of shares in any company which generates revenue from oil, coal, gas (conventional or unconventional), or uranium, whether from extraction, refinement or energy generation;*
- c) *documents created during 2012, which relate to criteria or assessment of environmental impact for University investment, whether through shares, managed funds or other means.*

The University has begun to process your request with the statutory period having commenced on 16 January 2013, therefore a decision is due to you by 12 February 2013.

Section 29(1) and Regulation 3 of *the Act* permit an agency to decide that an Applicant may be liable to pay a charge where an agency determines that a charge is applicable. I will notify you within the required time if it is determined that any charges apply to your request.

Yours sincerely
